September 26, 2020

Dear City Manager:

As of 10:30 AM this morning Brazosport Water Authority has received an official statement from Texas Commission of Environmental Quality (TCEQ) allowing BWA to resume service to all customers. Lake Jackson, however, will require additional measures as outlined by TCEQ.

The water from BWA is deemed safe for all uses of potable water.

Sincerely,

Ronald Woodruff
General Manager
Brazosport Water Authority
